RE: RQR-31809

Dear Mr. Lowenstein:

In a letter dated January 9, 2009 to Mr. Andy Reed, I made the request on behalf of my client, CBS Outdoor, that the above referenced Required Review be placed on an agenda in March. The original notice from Mr. Reed about our required review was sent to my client during the holidays and I did not see it until the day before my January 9th letter.

We are currently in the process of producing updated site and elevation drawings, given the originals no longer meet your requirements. Our item is currently scheduled for the January 22nd Planning Commission meeting. Therefore we'd like to request that our item be held until the February 26, 2009 Planning Commission meeting so we have enough time to submit a full application to the Planning Department.

If you should have any questions, please feel free to contact me at 870-7068.

Sincerely,

Ryan Arnold
